**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

One big reason I choose a competition is I do not believe in a monopoly. Complete or too much control of a service can cause prices to be set as the company in control wishes. I have been in business as a barber and I know competition is good for the quality of a business and good for the consumer as well. This is the main reason I choose a competitive provider. I want to say no to price hikes that will increase the cost of internet and telephone services.
